## Tour Itinerary

### Who is Tod DeHart?

For over 30 years, I have been in the travel and tour industry. For 23 of those years, I founded, owned, and operated my own tour company based in St. Louis, Missouri. In January 2024, I decided to retire from full-time travel and spend more time with my family and enjoy a slower pace.

In the past year, I was invited to join the Travel Board here at Cornerstone - a travel co-op that comprises individual and retired travel industry leaders/professionals as well as historians/authors and wellness experts. It's good to pass up—to be involved and collaborate with some of the most dynamic and energetic travel consultants in the region (some I have known and worked with for years and new partners I am proud to unite with).

Being a part of Cornerstone has been a fun time! Everyone at Cornerstone Travel Group is committed to creating great travel options, destinations, and budget-minded itineraries—with the motto of "travelers uniting travelers."

I hope you can join all of us on this fun Autumn Mystery Adventure!
