Back by popular demand - this enjoyable, entertaining, and delicious two day tour! Broadway production of "Guys and Dolls" at the Little Theatre in Sullivan, Illinois. Dinner at Yoder's Amish Smorgasbord in Arthur, IL and All things Big in Casey, IL.

### Day 1:

Welcome aboard! Departing St. Louis, we venture into Amish Country of central Illinois. On our way we will break for lunch prior to our afternoon matinee of Guy's and Doll's at the Little Theatre on the Square in Sullivan, Illinois. This historic professional theater located right on the town's square has been entertaining audiences since 1957. Originally opened in 1924 as the Grand Theatre movie house, it was transformed into a Broadway show stage producing high-quality plays and musicals. It is the only Actors' Equity Association-affiliated theatre between Chicago and St. Louis, drawing both professional performers and enthusiastic audiences from all over. After this high energy show, we will enjoy an included scrumptious traditional Amish home-style smorgasbord at Yoder's Amish Kitchen in Arthur, IL. There will be time to browse at Yoder's amazing gift shop and take home some Amish style recipes for later! This evening we will overnight near Mattoon, IL (D)

### Day 2:

After breakfast, get ready to experience the sights and sounds of Casey, Illinois - dubbed "Small Town - Big Things". This friendly town is best known for its collection of "Big Things." It's home to several Guinness World Record - holding attractions, including the world's largest rocking chair, mailbox, pitch fork, wooden shoes, and wind chimes. You won't believe your eyes! We will have a guided tour and plenty of time to enjoy lunch and browsing the many unique shops and boutiques. This afternoon we will head back west to St. Louis. Don't miss out on this fun tour!
