We will stop by the visitors center with interactive exhibits that explains the importance of trees year-round. Our next stop will be at Leid Lodge - a scenic nature-inspired lodge - staying here isn't just about luxury and comfort, it's about supporting the Arbor Day's mission to inspire people to plant, nurture, and celebrate trees, making your visit meaningful as well as enjoyable. Once settled into your beautifully appointed room, take some time to relax and soak in the peaceful surroundings before gathering for a delightful dinner in the lodge's cozy dining room. Visit the historic Victorian Dodge House located across the Missouri river in Council Bluffs where seasonal traditions bring the past to life. It was the home of Union Army General Grenville M.
